

**Finnish Real Estate Terms &
Abbreviations in English**
www.expats-finland.com

NOTE: In Finnish advertisements you will see, for example, "3h". This does NOT mean "3 bedrooms" as it would in many countries; it means 3 rooms.

Example: "**3h + k, kph**" means "**2 bedrooms, living/dining room, + kitchen, bathroom**"

Terms in **green bold** are concerned with financial aspects, and are explained in more detail at www.expats-finland.com/housing/buying_property_in_finland.html
